

Music On Stage is seeking Directors, Choreographers, and Music Directors for our 2023-2024 Season. In order to achieve the highest quality productions possible, we are looking for creative, talented and experienced production staff who are interested in creating theatrical magic on our stage.

The Season

- **Disney's Newsies, September 16 - October 1, 2023**
- **Forever Plaid: Plaid Tidings, November 11-26, 2023**
- **The 25th Annual Putnam County Spelling Bee, March 9-24, 2024**

Shows are performed at The Cutting Hall Performing Arts Center in Palatine, IL. There are 8 performances for each show on Saturdays and Sundays.

The Process

Potential Directors, Choreographers, and Music Directors will need to submit and present a production proposal to The MOS Board for consideration by no later than May 12, 2023. The proposal should include a vision for the show and their resume. The Board will review the proposals and interview candidates.

Potential candidates can apply for a single show or multiple shows. If applying for multiple shows, they will need to submit a production proposal for each show, and they will be considered for each show independently.

The Board of Directors will notify all candidates of acceptance or decline. Final decisions typically take four to six weeks after the deadline closes.

Submissions will be accepted:

- by email at: production@musiconstage.org
- or by mail at: Music On Stage, PO Box 2526, Palatine, IL 60078

If chosen for Disney's Newsies, be aware that production will start very quickly after selection. Auditions will take place in late June 2023.
